I hereby agree not to prepare or to aid in any manner in the preparation of any paper filed with respect to any application classifiable in any class or classes examined in any group or art unit in the United States Patent and Trademark Office to which I was assigned, including any substitute, divisional, continuation, or continuation-in-part of said application, or any interference case related to that application or any related application, or any reissue or reexamination of a patent derived from said application, until two (2) years after the date of my severance from such group or art unit or until two (2) years after the date of transfer of any such class or classes from such group or art unit; this shall not include any invention of my own unless it conflicts with an application on file prior to my severance, or it discloses some feature of such application not otherwise open to the public.

I hereby also agree not to prosecute or aid in any manner in the prosecution of any application of another classifiable in any class or classes examined in any group or art unit in the United States Patent and Trademark Office to which I was assigned that was filed within two (2) years after the date of my severance from such group or art unit or that was filed within two (2) years after the date of transfer of any class or classes from such group or art unit, including any substitute, divisional, continuation, or continuation-in-part of said application, or any interference case related to that application or any related application, or any reissue or reexamination of a patent derived from said application.

I hereby further agree not to prosecute or aid in any manner in the prosecution of any application pending in any examining group or art unit during my period of service in such group or art unit, including any substitute, divisional, continuation, or continuation-in-part of said application, any reissue or reexamination of a patent derived from said application, or any interference case related to that application or any related application.
